**Fundraising
For Us**

Making the most of your fundraising

We are an independent charity and not part of the NHS.

The care, support and counselling that cancer patients and their families receive is provided on a free of charge basis, and this would not be possible without people like **you** fundraising for us.

If you're doing a sponsored challenge, it's really easy to fundraise online as well as in person. You can set up a Just Giving page, and Cavendish will happily help you spread the word!

Every penny you raise will go to support local people affected by cancer.

You could provide:

£27 could pay for an acupuncture session for a cancer patient to relieve nausea

£265 could provide a programme of specialist support for a child affected by cancer

£380 could provide one complete course of therapy for one person.

If you ever need any support with your fundraising, we are happy to help. Contact the fundraising team on fundraising@cavcare.org.uk, or call us on 0114 275 4070.

What could I do?

There are LOADS of different ways you can get involved and help Cavendish.

From little things you can do in a day, like cake sales and quiz nights, to big events, parties and life-changing personal challenges, there's fundraisers to suit everyone.

These are just SOME of our ideas - this list is by no means exhaustive! There really are no limits to what you can do.

If you're feeling adventurous, what about a sponsored challenge abroad? (Climb a mountain, husky sled, trek Macchu Picchu...the sky's the limit!)

The adventure of a lifetime

Kath sled through Lapland in March 2018, raising **£12,000** for Cavendish Cancer Care.

"I had an amazing time. It's been very long, with tough days and extremely cold nights in tents. The huskies were a gorgeous and strong pack of dogs, and the team trekking group were a really friendly crowd. I'm a bit bruised - but I did it!"
